Please accept this letter as a request for an extension to file Form 472 for Funding year 2009. The employee who handled our USAC, E-Rate filings during this time became very ill which resulted in an unpredictable work schedule and incomplete job duties. The illness ultimately resulted in the employee's death and it was not realized until I took over the responsibilities that the filing was never finalized.

We appreciate your consideration to grant an extension and are willing to provide any information needed, however, due to federal privacy laws and state confidentiality requirements, we are not able to provide documentation regarding this deceased employee. Please accept our apologies and grant us an extension for the following filings:
